

Global Bleach 6%

Description

Bleach 6% is ideal for whitening, disinfecting, removing stains and unpleasant odours produced by fungi and bacteria. Can be used for removal of stains on white fabric. Global Chemicals Bleach 6% is a powerful and very effective heavy-duty bleach cleaner sanitiser.

- Ideal for bleaching & sanitising cutting boards.
- Bleaching white fabrics, table cloths, uniforms & serviettes.
- Soaking porcelain
- Clean off mould and mildew
- Clean and Sanitise bathrooms

Application

In a bucket: add 500ml 6% Bleach in 10L water. Using gloves, wash walls and floors with mop. Wait 10 minutes then rinse clean.

Toilet Bowls: Pour 250ml into the toilet bowl then flush.

Laundry: Add 250ml per load before immersing the articles. Pre-soak for 15 minutes before washing.

DO NOT pour bleach directly onto clothes. Add clothing after bleach is diluted.

DO NOT use on wool & silk.

Avoid splashing on coloured clothes as it causes discolouration.
