Hair & Body Wash

## Eveza

Hair and Body Wash POD

### Description

Eveza Hair and Body Wash is a viscous Pearl White liquid with a fresh fragrance. This product is a high foaming cleanser that may be used as a hand wash, body wash and hair shampoo. It can be used in all washrooms and hospitality locations and is an ideal body wash for hospitals, nursing homes and especially GYM's. Eveza Hair and Body Wash is specially formulated with mild PH and well selected ingredients and moisturisers to leave a smooth soft feel to hair and skin.
